

REMARKS

The title has been amended to better described the claimed subject matter. No new matter is intended or believed to be involved.

The applicants appreciate the Examiner allowing all of the pending claims. Since there have been no amendments to the claims, the application should remain in a condition for allowance.

Applicants also note that they do not have a complete copy of an examiner's initialed form 1449 attached to the IDS filed on July 11, 2002. In particular, applicants have an initialed copy of the first page, but not the second. Accordingly, applications request the office to return an initialed copy of the second page.

Respectfully Submitted,
